GIA 2009 NEW RELEASES

KING OF KINGS

ORGAN MUSIC OF BLACK COMPOSERS, PAST AND PRESENT
VOLUME 2

Shortly after *King of Kings, Volume 1* came off the press, GIA began editing *Volume 2*, which is certain to be as well received as its predecessor. Encompassing the same time period (late-19th century to the present), the works of Samuel Coleridge-Taylor and Florence B. Price are again represented. They are joined by Calvin Fuller; Marques L. A. Garrett, and Fela Sowande, among others. You will also find two spiritual arrangements by William Farley Smith

that, until now, have been out of print. Brief biographical sketches of the composers are provided. The 12 compositions included in *Volume 2* are as varied as the musicians who created them.

Compiled and edited by James Abbington.

Now, many of his commentaries are joined in this bound collection that no serious church musician should be without.

42 TREASURED FAVORITES

FROM THE AFRICAN AMERICAN
HERITAGE HYMNAL

After the success of the recordings of "hidden treasures" from the *African American Heritage Hymnal*, we decided to take a different tack and record some of the all-time favorites. Here are 42 timeless hymns that remind us of where we've been and the importance of keeping that tradition alive for generations to come. Conductor James Abbington has again inspired musicians from the Morgan State University community to pour their hearts and souls into this recording. Some of your favorites include "Great Is Thy Faithfulness," "It Is Well with My Soul," "Blessed Assurance, Jesus Is Mine" and many more.

NEW WINE IN OLD WINESKINS

A CONTEMPORARY CONGREGATIONAL SONG SUPPLEMENT
EDITED BY JAMES ABBINGTON

Churches all over the country, no matter which hymnal they use, are discovering the value of this innovative supplement. It boasts 51 titles in which familiar "old wineskins" (like DUKE STREET, HYFRYDOL, and HYMN TO JOY) are filled with "new wine" by contemporary text writers such as Brian Wren, Carl P. Daw, Jr., Ruth Duck, Herman G. Stuempfle, Jr., Shirley Erena Murray, Fred Kaan, Jane Parker Huber, Mary Louise Bringle, and John Bell. This book also has a fine selection of 20 lesser-known hymns and songs

by important African American composers, including Margaret Pleasant Douroux, Harry T. Burleigh, and Charles P. Jones, to name a few. The Topical and Metrical Indexes will prove helpful when incorporating these gems into your worship.

An insightful and thought-provoking introductory essay, written by Dr. Michael J. Brown, Associate Professor of New Testament and Christian Origins at Candler School of Theology at Emory University in Atlanta, greatly shapes the context of this collection.
